05. Restriction on access to screenings

In general, all screenings prioritize Priority Badge holders, followed by Marché Badge holders.

SCREENINGS MAY ALSO FEATURE THESE RESTRICTIONS:

- **Priority Badges Only:** Restricted to Priority Badge holders.
- **By Invitation Only:** Invitations issued by the company organizing the screening.
- **Open to Press.**

Restrictions can be updated until April 28 through your Marché du Film account.

SECRET SCREENINGS

Screenings can be organized confidentially, ensuring they remain unpublished. Please notify us by **April 28** to confirm these slots as secret.

06. Screening Planning

The planning of the screenings is shared daily with trade publications. Please note that we cannot guarantee last-minute changes will appear in the daily programs.

SCHEDULE CONFIRMATION

Please confirm via your Marché du Film account no later than April 28:

1. Screening schedule.
2. Film Titles assignement.
3. Access restrictions (e.g., invitation-only, priority badges, press access, secret screenings).

This information is required to:

- Share details with international press.
- Update our publications (Screening Schedule, Webapp, Cinando).

07. Screening Reports

At the entrance to screening venues, Marché du Film staff scan badges to compile a list of attendees, including names, companies, and Cannes contact details.

These lists are available in real-time through your Marché du Film account.

08. Cancellation Policy

UNTIL APRIL 18

Full refund for cancelled screenings.

FROM APRIL 19

Partial refund only; a €150 (excl. VAT) administration fee will be charged per cancelled screening.

Marché du Film Technical Guide Screenings at Cannes 2025

MARCHÉ DU FILM
FESTIVAL DE CANNES

01. DCP Transfer & Specifications

INTERNET CONNECTION & DCP UPLOAD

DCPs must be uploaded exclusively via Viapass (Aspera Faspex application). A minimum connection speed of **100 Mbps** is recommended to avoid delays. Test your speed using [Speedtest](#).

KEY DATES

Platform opening: April 1, 2025.

Delivery deadline: May 7, 2025.

Late penalty: €250 (excl. VAT) per film for deliveries after this date.

DCP SPECIFICATIONS

Accepted formats: ISO/SMPTE or InterOp (JPEG 2000).

DCP files must include:

Image and sound (5.1 and/or 7.1 mix).

Subtitles (see dedicated section).

Logos integrated directly into the file.

Resolutions: 2K or 4K.

Frame rates supported: 24 fps and 25 fps. For HFR frame rates, please contact the Screening Service in advance.

BACKUP COPY

We recommend **bringing a backup copy** that has been tested on DCI-compliant digital equipment and is identical to the primary version.

02. Technical Equipment

DIGITAL EQUIPMENT:

Palais, Riviera & Lerins

Christie projectors and Dolby IMS3000 servers.

Cinemas in the city

Equipment varies by venue.

A detailed list is available upon request.

03. Subtitles

RECOMMENDATIONS

Recommended Format: Subtitles embedded in the image («burned-in subtitles»).

For separate subtitles, they must be provided in the **timed text** format.

Subpicture formats (e.g., .png images) are not permitted.

Embedded English subtitles are strongly recommended

04. File Naming

COMPLIANCE

The **CPL (Composition Play List)** must adhere to the Digital Cinema Naming Convention.

CONSISTENCY

- The name should match the one submitted to the **Marché du Film** and must be easily interpretable.
- **Consistency** across all delivered elements is required.
- The **same film** must use the **same title** across its various versions (preferably the English version).

05. DCP Check

CHECKING

DCPs are subject to a **computer check** before screening. Please note, only defects that prevent the file from being read can be detected.

IF A DCP IS DEFECTIVE and cannot be screened, the Marché will contact the company with the following options:

- Provide a new, client-tested DCP verified on DCI-compliant equipment.
- Submit the DCP to the on-site digital lab for potential repair (results are not guaranteed).

THE DEFECTIVE DCP will be duplicated and repaired, and the duplicate copy will be deleted after the last scheduled screening.

RESPONSIBILITIES: The Marché du Film, CST, and Viapass are not responsible for delivery delays or DCP failures.

06. KDM & DKDM Keys

ENCRYPTED DCP MANAGEMENT:

Preferred Solution: Provide a DKDM (Distribution KDM) or Master KDM to generate additional keys. The Marché du Film can generate KDMs on-site in Cannes using the Master KDM.

Important Note: Server certificates will be available starting **April 28, 2025**.

ALTERNATIVE OPTION: Provide a complete set of **KDMs** pre-configured to be compatible with the servers.

KEY DELIVERY DEADLINES:

- Send keys to canneskdm@festival-cannes.fr before **May 7, 2025**.
- Keys must be valid from **May 7 to May 24, 2025**.

UNENCRYPTED FILMS:

Unencrypted DCPs are preferred to streamline the process.

07. Technical Contacts

CONTACT

Each company must designate a single technical contact, available in case of emergencies (DCP, KDM, etc.), and provide their phone number and email address to the **Screenings Department**.

LAB

Contact details of the associated lab must also be provided to facilitate quick resolution of any technical issues.

08. Delivery Deadlines

DCP

Delivery must be completed via Viapass by **May 7, 2025**. Late deliveries will incur a **€250** (excl. VAT) **penalty per film**. DCPs delivered on the deadline day may require longer confirmation times.

KDM/DKDM

Keys must be sent to **canneskdm@festival-cannes.fr** by May 7, 2025, and be valid from **May 7 to May 24, 2025**.

Failure to meet deadlines may result in the cancellation of the screening, which will still be invoiced.

09. Technical contact & deadlines

FOR ALL TECHNICAL INQUIRIES

please contact : **sts@festival-cannes.fr** (from April 3, 2025).

KEY DATES

April 10 Viapass platform opening

- Films not screened at any Market before **December 2024**.

02. General Information

OUR ONLINE SCREENING ROOMS

Online screenings are reserved for companies with an online booth. Please contact the **Sales and Operations Department** for more information. Films are screened according to a pre-established schedule, at the viewer's local time, and remain accessible for up to 120 minutes after the start of the screening.

GEOBLOCKING

Geoblocking restricts access to your film based on the countries where rights are still available. Geoblocking is determined by the company's location, not the buyer's location. Buyers in geoblocked territories may request specific access to view the film.

AUDIENCE REPORTS

Detailed real-time reports are available on **Cinando**, including viewer names, companies, and viewing duration.

ACCESS TO ONLINE ROOMS

Access restrictions can be configured via your **Cinando** account.

Options:

- By category (**Buyers, Festivals, Press**)
→ Refer to the [Cinando Viewing Rights Memo](#).
- By invitation only or upon specific request
→ Refer to the [Cinando Invitations Memo](#).

If no access settings are configured by **April 28, 2025**, the online screening will automatically be accessible to all accredited online attendees.

CONFIRMATION & PUBLICATION

- **Confirmation:** Confirm your time slots, titles, and access restrictions by **April 28, 2025**.
- **Publication:** Information about the films and schedule will be published on Marché du Film Online and Cinando.

FILM UPLOADS

Before Uploading: Ensure the film details are correctly filled out on Cinando.

Deadline: Films must be uploaded by **May 7, 2025**.

Fees:

- **€215** (excl. VAT) per film, with a 20% discount for companies with a booth.
- Download fees: Between **€8** and **€20**.

03. Free online screening linked to Cannes screening

INCLUDED ADVANTAGE: An online screening is offered on the Marché du Film Online platform, 24 hours after the physical screening in Cannes.

ACCESS DURATION: Accessible during a two-hour time slot the following day, at the same local time as the physical screening (local time of the viewer).

Please note this online screening is optional.
